PERMANENT SUPPORTIVE HOUSING

Because of You...

2015 is a banner year for acquiring and developing innovative permanent supportive housing communities!

Slated to open in the Spring of 2015, the Kaufmann Apartments at Step Up on Colorado is a \$14M capital project with 34 units of permanent supportive housing in Santa Monica. Also in 2105, Step Up will direct its expertise and highly successful track record to create a privatized model of long term, integrated housing and supportive services to address the needs of families with adult children experiencing mental health issues: **Family-Centered Housing.**

VOCATIONAL TRAINING & PLACEMENT

Because of You...

Twenty Vocational participants were placed in unsubsidized employment, and sixty eight members participated in supportive employment in 2014! Step Up is launching a Hollywood vocational enterprise, **The Vine Street Café** at Step Up on Vine in 2015, thanks to a \$420K award through Councilman Mitch O'Farrell's office.

The Vine Street Café will be a for-profit enterprise, with paid on-the-job work training and real-world experience for participants. The funding is specifically to create 12 full-time positions for low-income individuals who are a part of Step Up's Work Force Development Program.

MEMBER-DRIVEN SUPPORTIVE SERVICES
