

HYGIENE KITS

Organizing a drive for Hygiene Kits is one of the easiest ways you can help our teams and people experiencing homelessness. By providing these very necessary resources, you become part of the solution!

ORGANIZING YOUR STEP UP HYGIENE KIT:

1. Take a look at the checklist on page 2 to plan and organize your kits.
2. Donate full size items, not travel size items.
3. Donate new hygiene items only.
4. Gently used clothing, blankets and backpacks accepted.
